Background Information:

History: In lieu of an over-arching collection history, separate histories have been compiled for each club or organization and are included under the appropriate series records below.

Scope and Content Arrangement: The Joliet Area Clubs and Organizations Collection contains organizational records, scrapbooks, meeting minutes, yearbooks, event programming, photographs, newspaper articles, and other materials relating to the history of clubs in Joliet. The collection is divided into 13 series based on club or organization and the series have been arranged alphabetically. Series 12 is excluded from this organization pattern. Series 12 contains a variety of different organizations. None of these organizations contained enough materials to warrant an individualized series within this collection.

Series 1, Series 5, Series 7 and Series 10 have further been arranged into sub-series. The sub-series create a logical distinction between document types in relation to each organization.

There are many oversized materials in the collection, primarily scrapbooks. These materials have been listed in Series 13 of the collection, and are listed in the finding aid with their original series number as well. All oversized materials for this collection are in the North Storage Room.
